

If you are a Senior Architect with a minimum of five years post qualification experience we can offer you new design opportunities working on exciting projects in a friendly and collaborative environment.

We offer excellent remuneration with a competitive salary; a great benefits package, regular CPD and social activities. Our portfolio includes a broad range of educational and residential projects as well as unique civic and cultural buildings.

We welcome applications from candidates with the following skills and experience:

#### Essential:

- RIBA Part 3 qualified with a minimum of five years post Part 3 work experience covering all project stages as well as delivery of major projects (circa £20 million+)
- In depth knowledge of UK building regulations and other statutory requirements gained through a minimum of 3 years experience working at an equivalent level in an Architect's Practice within the UK.
- Excellent design skills and creative flair
- BIM: fluent in Revit software. Minimum of 2 years of experience using Revit to develop project information from RIBA stage 4 onwards.
- Strong technical and graphics skills including the ability to communicate design information through different mediums, from CAD, Sketch up and Adobe Photoshop to freehand sketches, diagrams and physical models
- Outstanding leadership skills, the ability to enthuse and inspire a team
- Excellent written and spoken English

This vacancy is offered on a full time, permanent basis in our London studio.

If you are interested in applying for this position and meet our criteria, please send:

- A covering letter explaining your suitability for the role.
- A CV (2 pages maximum) clearly setting out your qualifications, skills and experience
- A maximum of 6 pdf pages illustrating your work and demonstrating the skills set out above. You should illustrate projects you have been closely involved with. This should include clear examples of material produced by you at key project stages using Revit. Maximum file size 10mb please.

All application information should be emailed to: [recruitment@architectureplb.com](mailto:recruitment@architectureplb.com)

Due to the high volume of applications we receive we are afraid that we will only be able to respond to successful applicants.

ArchitecturePLB is an equal opportunities employer.
